

2026 Cruise Nite Classification Guidelines

Classic or older

A car is considered a classic when it is at least 35 years old and has been restored or maintained to its original factory specifications. Beyond just age, it may possess historical, cultural, or collector value that makes it desirable to enthusiasts

- Year 1990 and prior
- Holds historical importance
- Driven for hobby or exhibition purposes

Exotic

Exotic cars generally include high-end, specialty, performance, or collectible vehicles that fall outside typical mass-market models. This may include supercars, rare or limited-edition sports cars, certain luxury models, and some classic or specialty vehicles.

- Rare, Limited production numbers
- Bold, jaw dropping design
- Breathtaking performance
- 6 digits price tag or more
- Custom Vehicle Design
